

# EMPIRES<sup>GRK2571</sup>

Dynamic Transformation  
Temporality and  
Postimperial Orders

Funded by  
**DFG** Deutsche  
Forschungsgemeinschaft  
German Research Foundation

## Postdoctoral Position TV-L 13, 100% (f/m/d)

The RTG focuses on imperial temporalities and their representation, reflection, memories, resonance, experiences, and manipulation in the context of imperial transformation and post-imperial orders.

Represented disciplines: History of any global area from antiquity to the present, Sociology, Political Science, Near Eastern Studies, and English Literature; departments of Economics and European and International Law, can be involved in specific research projects.

### We offer:

- excellent opportunities for academic and interdisciplinary research
- excellent opportunities for the development of an international research profile and career advancement
- funding for a research stay abroad (up to eight months) at one of the RTG's collaborating research institutions
- travel grants for field work, attendance of conferences, and lectures within and outside of Germany
- optional courses for acquiring advanced research skills and professional training
- opportunities for teaching, enhancing leadership skills, and gathering further experience in research practices (e.g., conference organization, writing funding applications, editing publications, etc.)
- opportunity for doing a Habilitation at the University of Freiburg

### Application (in English or German):

- letter of motivation (1-2 pages)
- academic CV
- copies of degree certificates and diplomas
- research proposal (ca. 10 pages), including a schedule and details of how the project will fit into the research framework of the RTG
- two letters of recommendation (sent by the referees directly)

**Employment:** May 1, 2025 - October 31, 2029

**scope:** Full-time (100%), **salary:** TV-L E13

**Id no.:** 00004059

### We expect:

- a PhD/doctoral degree in one of the disciplines represented in the RTG
- expertise in one of the subject areas of the RTG, documented by the dissertation or other publications
- a research project within the framework of the RTG research programme
- experience in international academic collaboration and interdisciplinary research
- English proficiency at least at the level of B2 at the start of employment
- willingness to acquire German for communication purposes during the employment
- residence in Freiburg
